GUIDELINE

Circumcision of Infant Males

Scope (Staff):	Midwifery, Nursing and Medical Staff
Scope (Area):	KEMH Postnatal Wards

Child Safe Organisation Statement of Commitment

CAHS commits to being a child safe organisation by applying the National Principles for Child Safe Organisations. This is a commitment to a strong culture supported by robust policies and procedures to reduce the likelihood of harm to children and young people.

This document should be read in conjunction with this disclaimer

For information on circumcision of infant males refer to The Royal Australasian College of Physicians guideline – Circumcision of Infant Males.

Parent Information: Circumcision: A guide for parents

Circumcisions are not performed at KEMH or PCH, but patients can be referred for cultural, religious or medical indications, see here for referral.
