## **REDCap** Workshop Series Research Electronic Data Capture

The Research Education Program - supported by the Perth Children's Hospital Foundation and the Telethon Kids Institute - offers a series of hands-on workshops that focus on the most integral features of REDCap and its application to your research project data. Workshops aim to directly build user skills in a guided environment, with time to ask questions and work on your own project. Dates below are still being finalised so check back again for latest version.

**Presented by:** Research Education Program Research Fellow Dr Giulia Peacock

**Location:** PCH, TKI Seminar Room, Level 5 (West).
